Janesville, Wisconsin — Wisconsin's 1st District Congressman House Speaker Paul Ryan (R-WI) issued the following statement after John Curtis' victory in the special election to represent Utah's 3rd Congressional District:

"I applaud John Curtis for running a tough and focused campaign, and I know he will be a valuable addition to the House Republican conference. John's impressive victory shows that Utah voters support the work that Republicans are doing in the House to advance a conservative agenda, particularly on tax reform. With Congressman-elect Curtis as a member of our team, we will keep up our push to enact more bold reforms that reduce the size of government, grow the economy, and help middle-class Americans get ahead."
