Sen. Carpenter responds to Governor Walker's call to House Republicans to go "big and bold" with their agenda

Madison – Today State Senator Tim Carpenter (D-Milwaukee) released the following statement in response to Gov. Scott Walker's advice to the United States House of Representative's Republican Conference to "go bold" with their agenda.

"Congress should go big and bold and pass a law that gives states more flexibility with Medicaid reform by allowing states to seek discounted prescriptions drugs to save Wisconsin taxpayers hundreds of millions dollars."
