Madison - Today, the State Senate passed Senate Joint Resolution 3, the constitutional amendment for a referendum to delete the office of Wisconsin State Treasurer. Senator Feyen (R-Fond du Lac) released the following statement:

“SJR3 has passed one more hurdle on its way to eliminating this now obsolete and useless office.

I urge the State Assembly to take the final legislative action on this constitutional amendment as soon as possible, and to send it to the Wisconsin people for a referendum conducted in the April 2018 election.”

Senator Feyen represents the 18th Senate District, which includes parts of Dodge, Fond du Lac, and Winnebago Counties.
