The Board of Commissioners and staff of the Social Development Commission (SDC) are deeply saddened to learn of the passing of Frank González. He was a tremendous and giving man. Our heartfelt condolences are extended to his loving family.

Frank served as a member of the Social Development Commission Board of Commissioners for nearly two decades. His contributions to the agency will forever be remembered and valued.

He was committed to the community, its residents, and those working to foster growth within it. His passion for Milwaukee will be greatly missed.
