WASHINGTON—House Speaker Paul Ryan (R-WI) released the following statement following House passage of the conference report to H.R. 1, the Tax Cuts and Jobs Act.

“Today, Congress approved a once-in-a-generation tax reform bill. This is the end of a long journey to deliver major tax relief to the American people. Now, this historic legislation will be sent to the president’s desk so we can start 2018 with a new tax code.”
