WASHINGTON—House Speaker Paul Ryan (R-WI) issued the following statement after House passage of a motion to go to a House-Senate conference on the Tax Cuts and Jobs Act:

“2017 is the year we finally overhaul our broken tax code. This plan is going to put more money in people’s paychecks and help middle-class families get ahead. The House, Senate, and Trump administration are unified in our determination to cut taxes, grow wages, and create jobs for hardworking Americans. We look forward to sending historic tax reform legislation to the president’s desk in short order.”
