WASHINGTON—House Speaker Paul Ryan (R-WI) issued the following statement upon Senate passage of a budget resolution:

“I applaud the Senate for passing a budget and appreciate adoption of a new Title 5 in the resolution to address the House’s priorities. This action keeps us on track to enacting historic tax reform that will mean more jobs, fairer taxes, and bigger paychecks for American families. We want Americans to wake up in the new year with a new tax code, one that is simple and fair. Now it is time to meet this moment and deliver real relief to hardworking people.”
