**Madison...**Speaker Robin Vos (R-Rochester) released the following statement after the signing of Special Session Assembly Bill 1, the Foxconn incentive bill.

“Today Wisconsin is officially saying yes to a \$10 billion development project, 13,000 careers and new opportunities throughout Wisconsin. This law allows the state to move forward on the largest economic development project in state history.

“The Foxconn incentive bill is one of the most important pieces of legislation in our lifetime and I’m pleased that it received bipartisan support. The Foxconn project is a worthwhile investment that will transform our state and help build a strong, healthy economy.”
