Madison...Speaker Robin Vos (R-Rochester) released the following statement on Department of Natural Resources Secretary Cathy Stepp's appointment to Environmental Protection Agency as the deputy administrator for Region 7.

"I want to congratulate my friend and former state Senator Cathy Stepp on her appointment. Her strong work ethic, business sense and enthusiasm will be a benefit to the EPA in her new position. She has made a positive impact on the DNR during her years as secretary by improving customer service, simplifying the permitting process and protecting our precious natural resources.

"On behalf of the state Assembly, I would like to thank Secretary Stepp for her years of public service to Wisconsin. I also want to wish her and her husband Paul the very best in their future."
