WASHINGTON, D.C. – Congressman Sean Duffy (R-WI) today released the following statement on the fight to repeal and replace Obamacare.

“Obamacare is in a death spiral and continues to hurt millions of Americans. Simply perpetuating the status quo is wrong. That’s why I’m thankful for Speaker Paul Ryan’s vision and leadership in the fight on behalf of the American people against this awful law.

“The longer Obamacare remains intact, the more damage it causes; which is why I’m going to continue to fight my heart out to get rid of it. I hope that the entire Republican Party can soon unite to dismantle the disaster that is Obamacare and replace it with a plan that lowers costs for families before it’s too late.”
