Brookfield, Wis. — U.S. Senate candidate and state Sen. Leah Vukmir Thursday released a list of influential, committed Republican donors who will serve on the finance committee for her campaign against incumbent Democratic Sen. Tammy Baldwin.

“It is an honor to have so many people who helped bring about Donald Trump’s, Scott Walker’s and Ron Johnson’s election victories on my fundraising team,” Leah said. “My finance committee knows how to win elections. These are Wisconsin leaders who have put their money behind conservative candidates and won.”

“As I’ve traveled across Wisconsin, I hear that people want a conservative who we can trust to shake up things in Washington, just like we did in Wisconsin. That’s why these leaders are joining my campaign. They know what they’re getting with me — a consistent conservative with a proven track record of producing results.”

The Leah for Senate finance committee includes the following conservative leaders:

Sen. Alberta Darling
Peter Farrow
Patrick English
Jon Galanis
Bill Johnson, Jr.
Laurence D. Kachel
Dr. George Korkos
Lisa Mauer
Ryan Morfin

Sharon Murillo
Alex Renard

Please stay tuned for more updates and information as conservatives across Wisconsin rally behind Leah's campaign for U.S. Senate.
