EAU CLAIRE – State Rep. Lisa Subeck announced her endorsement of Dana Wachs for Governor of Wisconsin.

Subeck was first elected to the State Assembly in 2014 and has previously served on the Madison Common Council and as the Executive Director of NARAL Pro-Choice Wisconsin.

“I am proud to announce my endorsement of Dana Wachs,” said Subeck. “Dana has always been a tireless champion of women’s health, whether it’s been at the local level or as a leader in the legislature. He is the candidate I trust to protect the rights of Wisconsin women.”
