EAU CLAIRE – State Rep. Nick Milroy announced his endorsement of Dana Wachs for Governor of Wisconsin.

Milroy adds his name to the growing list of current and former elected leaders who have endorsed Wachs.

“It was an easy choice to endorse Dana Wachs for Governor,” said Milroy. “Dana is the only candidate with a proven track record of fighting the serious threats to Wisconsin’s environment. He is also the only candidate who recognizes the challenges that rural Wisconsin faces. No one in the legislature has done more work on the important issue of chronic wasting disease (CWD).”

“I’m thrilled to have the support of a long time champion of northern Wisconsin in Nick Milroy,” added Wachs. “Nick is a friend and colleague who understands how to win elections, and together we’re going to win next November.”
