EAU CLAIRE – State Rep. Tod Ohnstad announced his endorsement of Dana Wachs for Governor of Wisconsin.

Ohnstad is the third state legislator this week to add his name to the growing list of Wisconsin leaders who support Wachs' campaign.

"I support Dana because I know he is the candidate who can beat Scott Walker and put Wisconsin back on the right track," said Ohnstad. "I've been involved with the labor movement my whole life and Dana is a true champion for organized labor who understands that when the labor movement succeeds, the middle class succeeds. He has my full support to be our great state's next Governor.

"As a friend, colleague, and labor leader, it's a true honor to have earned Tod's endorsement," added Wachs. "I look forward to sharing this campaign's strong progressive vision of Wisconsin in Tod's home district in Kenosha and across the state."
