

# Walker fundraiser with Trump asking for at least \$1,000

Posted on Friday, Jun 2, 2017

Gov. Scott Walker's campaign is asking people to contribute at least \$1,000 for the fundraiser he's holding with President Trump.

The June 13 reception includes four host levels, with those who pay \$20,000 getting a VIP photo, preferred seating and participating in a special host reception. The invitation does not say where the event will take place.

Walker's has hinted that he'll seek a third term next fall and said in a statement yesterday he appreciated Trump "showing his support for our bold conservative reforms" while he's in Wisconsin.
