

WISCAPE, MadREP: Forum on the Future of K-16 Education in Wisconsin

Posted on Tuesday, Apr 11, 2017

Join us for a forum on the future of K-16 education in Wisconsin, hosted by UW-Madison's [Wisconsin Center for the Advancement of Postsecondary Education](#) (WISCAPE) and the [Madison Region Economic Partnership](#) (MadREP).

The event will convene leaders from K-12, business, government, postsecondary education, and beyond to identify and prioritize the most significant challenges confronting Wisconsin's K-16 landscape. Participants will then formulate a list of recommendations to effectively tackle the challenges identified and positively impact today's and tomorrow's students, society, and businesses.

Following the forum, WISCAPE will write and distribute an executive summary and white paper that will summarize the group's findings and policy, program, and practice recommendations. We will also meet with targeted individuals and groups that have the ability to influence change and encourage them to consider advancing the forum's recommendations.

When: Wed, April 26, 2017
1:00 PM - 4:00 PM CDT

Where: Hilton Garden Inn
1801 Deming Way
Middleton, WI 53562
