

Wisconsin Economics Stock Market Simulation Workshop

Posted on Monday, Feb 13, 2017

The Stock Market Simulation is an easy and simple method of learning how the economy works. Students manage hypothetical \$100,000 investment portfolios as they compete against other schools in their age division throughout the state of Wisconsin. For More Information, visit - www.WisconsinSMS.com

Are you interested in incorporating the WI Stock Market Simulation into your curriculum but are unsure how? Join Mr. Tim O'Driscoll for this one day, crash course on economics and financial education.
