“Wisconsin Right to Life applauds the State Legislature for passing a state budget that would require an audit of Planned Parenthood of Wisconsin,” stated Heather Weinger, Executive Director of Wisconsin Right to Life. “After learning that Planned Parenthood of Wisconsin significantly overbilled Medicaid in 2014, wasting \$52,193 of taxpayers’ money, it was clear that accountability was necessary. We look forward to Governor Walker signing this budget, ensuring taxpayer dollars are not wasted by Planned Parenthood, an organization bent on getting more and more taxpayer funds while also expanding their grisly abortion practice.”
