Wisconsin Working Families Party political director Rebecca Lynch made the following statement in response to Milwaukee County Supervisor Deanna Alexander's Facebook post about her upcoming gun-themed fundraiser:

"In the wake of the tragic mass shooting in Las Vegas and the ongoing tragedy of unchecked gun violence, Milwaukee County Supervisor Deanna Alexander's Facebook post today about her upcoming gun-themed fundraiser shows poor judgement.

To honor the lives violently taken in Las Vegas and every day in our country, Wisconsin Working Families calls on Supervisor Alexander to cancel her event and commit instead to meeting with Milwaukee families affected by gun violence."
