MADISON — As has been reported and quickly contradicted by former College Democrats of America Chair and recently turned Republican for U.S. Senate, Kevin Nicholson voted in the 2008 Democratic primary. Today, Politifact Wisconsin dug into Nicholson's claim and noted "what records are available indicate that Nicholson did not cast a 'no preference' vote in 2008 as he says he did."

"Kevin Nicholson is a slick politician who will say anything to get elected," said Democratic Party of Wisconsin spokeswoman Gillian Drummond. "Nicholson voted in the 2008 Democratic primary and he should admit it rather than lie to appease his billionaire backer. The people of Wisconsin cannot trust this out-of-state billionaire's puppet to do anything but allow Dick Uihlein to pull all his strings."
