The eastbound Madison Beltline will be closed to traffic between Mineral Point Road and Gammon Road from 10 p.m. to 5 a.m. tonight and Thursday evening to set girders for the new High Point Road bridge. Eastbound motorists must use alternate routes. The eastbound entrance ramp from Mineral Point Road will be closed at 7 p.m.

The posted detour route will use Mineral Point Road and Gammon Road.

The project is replacing the High Point Road bridge over the Beltline and reconstructing 0.26 miles of High Point Road between Watts Road and D'Onofrio Drive.

Construction is currently on schedule for completion on September 1, 2017.
