Governor Walker's Reforms Bringing Foxconn to Wisconsin *Tens of Thousands of Jobs Created for Hard-Working Wisconsin Families*

[Madison, WI] — Governor Walker was in Racine today to take the final steps in bringing Foxconn to Wisconsin. Today's contract signing moves Wisconsin forward, with Foxconn investing billions in our state that will lead to tens of thousands of jobs for hard-working Wisconsin families. The Republican Party of Wisconsin released the following statement from Chairman Brad Courtney:

"Governor Walker is working and winning for Wisconsin. Today is a historic day, as the governor's leadership and bold reforms have led to Foxconn making a major investment in our state - one that will result in thousands of good-paying, family-supporting jobs for hard-working Wisconsin families. Scott Walker is moving Wisconsin forward."
