Madison, Wisconsin — Today Governor Scott Walker signed the state budget into law. Governor Walker's budget puts more money into our K-12 education system while eliminating the entire state portion of the property tax. The Republican Party of Wisconsin released the following statement from Chairman Brad Courtney:

"Thanks to Governor Scott Walker and Republican leaders, Wisconsin is on the path to keep working and winning. This budget makes a historic investment in our classrooms while at the same time keeps promises made by the governor to cut taxes - with total tax cuts reaching some \$8 billion by the end of 2018. This is a budget of which families across Wisconsin can be proud."
