Madison, Wisconsin — Wisconsin Democrats are in a growing state of disarray. Now that the field of highly flawed Democrat candidates for governor has each had to answer questions about their fitness for office, Wisconsin Republicans are launching the [DemocratsInDisarray.com](http://DemocratsInDisarray.com) Game Show that will test to see if you can keep up with the bad decisions, reckless behavior and overall disarray of the Democrat field for governor.

“Whether it’s Tony Evers protecting teachers who spread pornography at school, Dana Wachs working to enrich his trial lawyer buddies, Kathy Vinehout defending the character of a man possessing child pornography or Andy Gronik’s failed business record, Wisconsin Democrats are in a complete state of disarray,” said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. “The Democrat field is running to take Wisconsin backward and now Wisconsin families can learn even more about how reckless and irresponsible each of these candidates are.”
