[Madison, WI]— The Republican Party of Wisconsin launched a website and digital ad campaign today against tax-and-spend liberal Kathleen Vinehout. Vinehout is announcing her bid for governor today. While Governor Walker has fought to return power to hard-working Wisconsin taxpayers, Vinehout has attempted time and again to empower big government special interests.

“Governor Walker has fought to return authority to hard-working Wisconsin taxpayers, delivering some \$8 billion in tax cuts by the end of 2018,” said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. “Meanwhile, tax-and-spend liberal Kathleen Vinehout wants to take us backwards to the days when she authored the largest tax increase in state history, and ran to Illinois to protect big government special interests.”

The Republican Party of Wisconsin’s digital ad campaign is accompanied by a website, [Vinehoutforgovernor.com](http://Vinehoutforgovernor.com). This is in addition to campaigns it has previously launched against [Tony Evers](#), [Dana Wachs](#), [Andy Gronik](#), and [Mike McCabe](#).
