[Madison, WI]— Republicans are fighting for hard-working Wisconsin families. President Trump and Speaker Ryan are supporting tax reform to give Wisconsinites the break from Washington that they deserve. Meanwhile, Senator Tammy Baldwin is picking Washington over Wisconsin and embracing Bernie Sanders' government-run health care plan that could cost \$32 trillion - almost certainly raising our taxes.

“Senator Baldwin’s decision to pick Washington over Wisconsin stands in stark contrast with Republican leaders fighting for tax reform,” said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. “While Republicans are working to help hard-working Wisconsin families keep more of what they earn, Senator Baldwin is embracing massive spending and government-run health care along with the tax increases that come with it.”
