[Madison, WI]— President Trump will sign executive orders in Kenosha today encouraging policies that “Buy American, Hire American.” The Republican Party of Wisconsin released the following statement in regards to the president’s visit: “Last November Wisconsin voters chose bold reforms over more Washington games when President Trump won Wisconsin,” said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. “While Democrats like Senator Tammy Baldwin play political games and pay lip-service to issues like Buy American, Republicans are shaking up the Washington status quo and getting real results for hard-working Wisconsin families.”
