Supports Sen. Sanders' Extreme Plan

[Madison, WI]— Senator Tammy Baldwin announced her support for Senator Sanders single-payer health care plan and even committed to being a co-sponsor. Baldwin endorsed the plan, with a [\\$32 trillion](#) price tag, more than 24 hours before its release. Instead of fighting for hard-working Wisconsinites, Senator Baldwin is embracing a radical left-wing idea that would lead to more out-of-control government spending.

“This is classic Senator Baldwin, pushing an extreme agenda and siding with Washington over Wisconsin,” said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. “By embracing this radical plan and its \$32 trillion price tag, Senator Baldwin is putting far-left special interests ahead of hard-working Wisconsinites.”
