[Madison, WI]—Senator Baldwin can't help but defend Obamacare. Instead of working toward ways to reform the failed law, she is adamantly defending the Washington status quo. Wisconsin's hard-working families deserve reform, but Senator Baldwin is more concerned with defending the mess that she helped create. **Here's what Senator Baldwin has said about Obamacare said vs. reality:**

What Senator Baldwin Said: "...we made the first of many improvements: making health care more affordable..."[\[1\]](#)

Reality: Average monthly health insurance premiums on Obamacare have increased in Wisconsin by 93% from 2013 to 2017.[\[2\]](#)

What Senator Baldwin Said: "...it will rein in soaring health care costs..."[\[3\]](#)

Reality: Average monthly health insurance premiums on Obamacare increased in Wisconsin by \$248 from 2013 to 2017.[\[4\]](#)

What Senator Baldwin Said: "The people of Wisconsin did not send me to the Senate to take people's healthcare away."[\[5\]](#)

Reality: 14,000 lost their insurance last week when Anthem announced that they would be leaving the Obamacare exchange in Wisconsin. [\[6\]](#)
