[Madison, WI]— This weekend, Senator Tammy Baldwin will be joined by her close friend Elizabeth Warren for a fundraiser. Warren, an elitist from the east coast and radical liberal is the perfect senator for Baldwin to align herself with if she's looking to keep picking Washington over Wisconsin.

"It's no surprise that Senator Baldwin is turning to an east-coast liberal like Elizabeth Warren to help her raise money and pick Washington over Wisconsin," said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. "Both Warren and Baldwin would dramatically raise taxes on hard-working Wisconsin families through their extreme far-left fantasies, like government-run health care and its \$32 trillion price tag."

Warren and Baldwin are too Extreme for Wisconsin:

- Both Warren and Baldwin support a government-run health care plan that by some estimates would cost [\\$32 trillion](#) and leave hard-working Wisconsin families on the hook to pay for it through [higher taxes](#).
- Both Warren and Baldwin have repeatedly voted in favor of higher taxes—with Baldwin voting more than 400 times in favor of higher taxes and fees since arriving in office.
