[Madison, WI]— Senator Tammy Baldwin has been trying to put on a show about how much she cares about veterans, but the fact remains that when she was the only member of congress to receive an official government report on veterans in danger at Tomah, she failed to act.

“In typical fashion, Senator Tammy Baldwin is doing one thing, then saying another,” said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. “When it was time to act, Senator Baldwin put the Washington status quo ahead of Wisconsin’s veterans and tried to cover up her inaction.”
