[Madison, WI]— Republican Party of Wisconsin Executive Director Mark Morgan released the following statement on the shocking ouster of Minority Leader Peter Barca by the State Assembly Democrat caucus over his vote in favor of Foxconn's family-supporting jobs:

“Peter Barca took a reasonable vote in favor of good-paying Wisconsin jobs, and his extreme Democrat caucus ousted him for it. Until Wisconsin Democrats offer real ideas and a message that will connect with the lives of hard-working Wisconsin families, they'll remain in a dangerous race to the left – Wisconsin Democrats are in complete state of disarray and it's only getting worse.”
