[Madison, WI]— Today the Wisconsin State Assembly passed a conservative state budget that cuts taxes and makes a record investment in our classrooms. Governor Walker and the Republican leaders in the Legislature have our state working and winning. The Republican Party of Wisconsin released the following statement from Chairman Brad Courtney:

“Governor Scott Walker and our Republican leaders in the State Assembly successfully took the next step in the fight for hard-working Wisconsin families. The passage of today’s budget builds on the conservative reforms that Republicans in Wisconsin have fought for time and time again. Thanks to their bold leadership, our state’s future is bright, and Wisconsin is working and winning.”
