[Madison, WI]— Today's vote from the Wisconsin State Senate sends a conservative budget to Governor Scott Walker's desk. By cutting taxes and making record investments into our classrooms, Republican leaders in the Legislature and Governor Scott Walker are teaming up to make sure our state continues working and winning. The Republican Party of Wisconsin released the following statement from Chairman Brad Courtney:

“Governor Walker and the Republican leaders in the State Senate are fighting for hard-working Wisconsinites. The conservative budget that the Legislature is sending to the governor's desk cuts taxes and makes historic investments in our schools. Thanks to the bold leadership of Republicans in Wisconsin, our future is bright. “
