## **Tammy Baldwin Won't Give Hard-Working Wisconsin Families a Break from Washington**

*Latest Example of Baldwin Picking Washington Over Wisconsin*

[Madison, WI] — Senator Baldwin keeps picking Washington over Wisconsin. Hard-working Wisconsin families need a break from D.C. – and Republicans are offering them one. President Trump and Speaker Ryan's tax reform proposal would save an average family of four \$1,182 per year. Meanwhile, Senator Baldwin is siding with liberal special interests while she opposes the plan.

"Senator Baldwin keeps showing hard-working Wisconsin families that she won't fight for them," said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. "Instead of putting Wisconsin families first, Senator Baldwin is siding with D.C. – stranding taxpayers who want real relief from Washington."
