[Madison, WI]— Taxin' Tammy Baldwin loves to take your money. That's why she has voted in favor of higher taxes and fees more than 400 times since she arrived in Washington. While Republicans are fighting to give hard-working Wisconsin families the relief that they deserve, Senator Baldwin is picking Washington over Wisconsin, embracing out-of-control government spending and higher taxes.

“While Republicans are fighting to reform the tax code and give hard-working Wisconsin families the relief from Washington they deserve, Taxin' Tammy Baldwin keeps picking Washington over Wisconsin,” said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. “During her time in Washington, Baldwin has voted in favor of higher taxes and fees more than 400 times—showing just how out of touch she is with Wisconsinites.”
