[Madison, WI]— As the Senate’s plan for healthcare reform begins to take shape after the passage of the American Healthcare Act in the House of Representatives last week, Senator Tammy Baldwin is adamantly opposing any reforms or replacement plans to the broken Obamacare system. While Republicans are working to get real reforms for hard-working Wisconsin families, Senator Tammy Baldwin is embracing the status quo and offering no solutions.

“Senator Baldwin is talking a big game in her opposition to healthcare reform, but the fact remains that she’s yet to offer any concrete solutions of her own that would help hard-working Wisconsin families with the Obamacare mess that she helped create,” said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. “This is more proof that after nearly 20 years of talk in Washington, Senator Baldwin is dedicated to defending the status quo.”
