[Madison, WI]— Today marks the six-year anniversary of Governor Scott Walker's signing of Act 10. The governor's decisions to fight for reforms on behalf of hardworking families have Wisconsinites still seeing savings today.

"Thanks to Governor Walker's bold conservative reforms, Wisconsin is working and winning," said Republican Party of Wisconsin Chairman Brad Courtney. "As a result of the leadership of Governor Walker and our Republican legislature, Wisconsin's budget is balanced, working families will see a total of \$8 billion in tax cuts by 2018, and our economy is headed in the right direction."
