Defending the same failed policies instead of reforms.

[Madison, WI]—Last week 14,000 Wisconsinites lost their insurance provider when Anthem announced that they were pulling out of Obamacare exchanges in Wisconsin. Instead of offering solutions to one of the biggest problems facing hard-working Wisconsin families, Senator Tammy Baldwin has continued to defend the same failed Obamacare policies that have gotten us to this point.

“While Republicans are at work on reforms that put hard-working Wisconsin families first, Senator Tammy Baldwin has offered nothing more than the Obamacare status quo,” said Alec Zimmerman, spokesman for the Republican Party of Wisconsin.

“Thousands of Wisconsinites lost their insurance and all Senator Baldwin has done is stand up for the mess that she helped make.”
