WHERE: At our Welcome Tent, at the back entrance of Berlin High School

222 Memorial Drive, Berlin WI 54923

More Information: The Wisconsin Leadership Development Project was instrumental in providing a means by which citizens who care about a broad range of issues were brought together to organize and mobilize for the Joint Finance Committee hearings. Those of us speaking represent a variety of advocacy groups. Our interests include: public education, the environment, healthcare, transportation, higher education, prison reform and others.
