On Sunday, AFSCME Wisconsin's PEOPLE Committee, which is responsible for the union's political activities, endorsed Mahlon Mitchell for Governor of Wisconsin.

In a crowded primary field, Mahlon's commitment to working people stood out said Paul Spink, President of AFSCME Wisconsin.

"As a union leader, Mahlon has been standing with AFSCME since before ACT 10," said Spink. "AFSCME is thrilled to be supporting a candidate for Governor who understands the value of public service and who will be a powerful advocate for working people as our next Governor!"

AFSCME Wisconsin represents thousands of public and private sector workers across the state of Wisconsin and will be working with other labor groups to propel Mitchell to victory in August & November!
