Josh Kaul's campaign said this afternoon the Dem AG candidate has raised more than \$255,000 in the last half of the year.

That, combined with the \$175,460 Kaul raised from when he first got into the race in April through the end of June, means he'll have just over \$429,000 in the bank once the report is finalized.

The campaign also said Kaul will report more than \$280,000 in cash on hand.

Campaign finance reports covering the last six months of 2017 are due to the Ethics Commission Jan. 16.
