*Activist Group Hails Brookfield Assemblyman's Principled Leadership*

**MADISON, WI** – Americans for Prosperity-Wisconsin today announced it is supporting Assemblyman Dale Kooyenga's bid to represent Wisconsin's 5th District in the State Senate. The free-market activist group will be canvassing and making phone calls to encourage voters in the district to support Kooyenga.

**Americans for Prosperity-Wisconsin State Director Eric Bott made the following statement:**

"AFP-Wisconsin proudly and enthusiastically supports Dale Kooyenga to be the next State Senator for Wisconsin's Fifth District. Representative Kooyenga has been a principled leader who has courageously stood up for his constituents in Southeast Wisconsin by defeating powerful special interest lobbyists in Madison. From working for health care affordability and access to fighting for quality education for all children, we can count on Dale Kooyenga to do the right thing. AFP-WI activists will work tirelessly between now and November to send this principled leader to the Senate where he can advance pro-growth, pro-freedom policies."
