*Tammy Baldwin to make over two dozen stops across Wisconsin over one week to listen to Wisconsinites' priorities*

WISCONSIN – U.S. Senator Tammy Baldwin today announced the ***In Your Corner Tour***, a week-long statewide swing to highlight the issues at the heart of communities across Wisconsin.

*“Too often, Washington is consumed by cable news shoutfests and early morning tweetstorms. In all this noise and chaos, it’s powerful special interests who call the shots and ignore the challenges faced by hardworking Wisconsinites,” **said Tammy Baldwin.** “On the *In Your Corner Tour*, I’ll hear directly from Wisconsinites who want Washington to start working for them and address the real issues that matter to working families, not out-of-state billionaires and big corporations.”*

On the ***In Your Corner Tour***, Tammy Baldwin will make over two dozen stops between Sunday, August 8 and Sunday, August 12. During the week, Tammy will hold events in a total of 18 counties including Brown, Crawford, Dane, Eau Claire, Grant, Green, Kenosha, Marathon, Milwaukee, Monroe, Outagamie, Polk, Portage, Racine, Rock, St. Croix, Waupaca and Winnebago counties.

Tammy Baldwin will highlight different issues on each stop of the ***In Your Corner Tour***, including clean drinking water, rural broadband access, veteran unemployment, dairy farming, African-American owned businesses, and the opioid

crisis. Each issue highlighted on the ***In Your Corner Tour*** hits close to home for so many Wisconsinites, yet is ignored or overlooked by those in Washington who do the bidding of powerful special interests.
