MADISON – The Board of Commissioners of Public Lands (BCPL) today approved nearly \$2.4 million in State Trust Fund Loans to support four community projects in Wisconsin. Board Chair Brad Schimel and Commissioner Doug La Follette voted in favor of the loans with Commissioner Matt Adamczyk voting against them.

The BCPL approved the following loans:

- City of Horicon, Dodge County / Finance road reconstruction / \$1,775,000
- City of Kewaunee, Kewaunee County / Finance sewer and water main projects / \$340,000
- Legend Lake Protection & Rehabilitation District / Menominee County / \$100,000
- Village of Trempealeau, Trempealeau County / Improve wastewater treatment plant / \$174,000

The BCPL operates entirely on program revenue, without taxpayer money, and distributes more than 96 cents of every dollar of interest earned on BCPL State Trust Fund investments to Wisconsin's public schools. The 2018 earnings of \$35.7 million provide the sole source of state funding for K-12 public school library materials.

A list of 2018 library aid received by each public school district is available at: (<http://bcpl.wisconsin.gov/docview.asp?docid=28530&locid=145>).

Established in 1848 by the State Constitution, the BCPL consists of the Secretary of State Doug La Follette, State Treasurer Matt Adamczyk, and Attorney General Brad Schimel. The BCPL manages the [Common School Fund](#), which was created in Article X of Wisconsin's Constitution, as a permanent endowment to benefit public education.
