The BCPL operates entirely on program revenue, without taxpayer money, and distributes more than 96 cents of every dollar of interest earned on BCPL State Trust Fund investments to Wisconsin's public schools. The 2017 earnings of \$32.1 million provide the sole source of state funding for K-12 public school library materials.

A list of 2017 library aid received by each public school district is available at:

The BCPL manages the [Common School Fund](#), which was created in Article X of Wisconsin's Constitution, as a permanent endowment to benefit public education.
