Ty Bodden for Assembly
(920) 624-2289

Saukville – State Senator of Wisconsin’s 20th District, Duey Stroebel, has come out in support of Ty Bodden to replace Representative Jesse Kremer in the 59th Assembly District. Senator Stroebel’s senate district includes Assembly Districts 58, 59 & 60 and is one of the most conservative Republicans in the state.

Senator Stroebel issued the following statement, “We need to elect someone to the 59th Assembly District with the same conservative principles as Rep. Jesse Kremer and me. Ty Bodden is a conservative with strong integrity and fresh ideas. His beliefs and values align with the people of the 59th and will represent the entire district well. Ty is young, energized, and a hard worker. He is a fresh new name to politics and that is exactly what we need in Madison. I encourage everyone to vote for Ty Bodden on August 14th.”

Ty Bodden stated, “I am humbled and truly grateful for Senator Stroebel’s support. I know having the Senator’s support is something that should not be taken lightly. Duey is a strong conservative and defender of our constitutional rights. He is as pro-life and pro-second amendment as they come. He fights hard against taxes and wasteful spending in Madison. He is exactly the type of person I like to align myself with.” Bodden stated. Ty shares many of the same values and beliefs as the Senator and looks forward to working together in Madison to get things done for our state and district.

Senator Duey Stroebel concluded, “The people of the 59th Assembly District have a great opportunity to elect conservative candidate, Ty Bodden, to represent them in Madison. I support Ty and I hope you do too.”

Ty Bodden has also been endorsed by Rep. Jesse Kremer, Washington County Sheriff Dale Schmidt, Sheboygan County Sheriff Cory Roeseler, Rep. Andre Jacque & Rep. Ron Tusler. Bodden is also the only candidate to be endorsed by all three pro-life groups; Wisconsin Right to Life, Pro-Life Wisconsin, & Wisconsin Family Action. He is also the only candidate to receive an AQ rating by the NRA.
