To honor May Day, Bryce is marching with other Latinxs and immigrants today

RACINE, WI – Today, labor leader and civil rights activist Dolores Huerta officially endorsed Randy Bryce to represent the First Congressional District of Wisconsin.

“Randy Bryce has dedicated his life to strengthening unions and fighting for all working families,” said Huerta in a statement. “His efforts to bridge divides in Southeastern Wisconsin is what we need to have spread throughout the country. When Randy wins Paul Ryan’s seat, we will send a message to candidates that when they stand up for all working people, they win.”

In honor of May Day, and the continuing struggles workers face, Bryce will participate in the “Day without Latinxs and Immigrants” March in Waukesha, today. More details are available [here](#).
