Randy Bryce has been arrested nine times, including driving while under the influence

WASHINGTON – Congressional Leadership Fund ([@CLFSuperPAC](#)), the super PAC endorsed by House Republican leadership, today released a new radio ad, “Nine Arrests,” in Wisconsin’s 1st Congressional District. The ad details repeat offender Randy Bryce’s criminal record and nine arrests, including driving while under the influence and being charged with drug possession, property damage, and theft. The radio ad begins airing today in the Milwaukee media market.

“CLF is excited to welcome Randy Bryce to the general election,” **said Courtney Alexander, CLF Communications Director.** “Having been arrested nine times, Randy Bryce has spent his life breaking laws and he has no business making them. Wisconsin families deserve a conservative leader who will fight for them, not a repeat offender like Randy Bryce.”
