Restriction To Be Removed July 10th at Noon

Dane County is removing the slow, no wake orders on Monona, Waubesa and Kegonsa effective Tuesday July 10th at noon. Slow, no wake remains in effect for Squaw Bay (Lake Monona).

Due to the dry weather and mitigation efforts to improve flow in the Yahara River, the Yahara Lake levels have been declining at great rates.

For questions regarding slow, no wake call Land and Water Resources Department at 608-224-3730.
